

Live on the Missouri River along the Rocky Mountain Front and work with a great team!

Current Openings

Business Development & Marketing Officer
Economic Development

Dynamic, self-motivated professional sought to join our passionate, creative, fast-paced, results-driven economic development team. Help businesses in Montana's Great Falls trade area to grow and attract new businesses to invest in our region. Create digital content that promotes business and talent opportunities. Involves market research, cold-calling, networking, relationship building, project management, marketing materials, digital content, web and social media, proposal writing, advocacy and client business development services.

Position may involve extensive travel in region, U.S. and Canada. Looking for a star with demonstrated achievement in business development, marketing and/or economic development. Requires excellent writing, computer, and communication skills. Live on the Missouri River along the Rocky Mountain Front and work with a great team! Salary range \$45,000-55,000 with excellent benefits, professional development, growth opportunities, and flexible work environment. EOE.
